- Please enclose a deposit of \$200 per session, payable to Camp Chrysalis. The balance is due April 1. There are no refunds of deposits after April 1. Any refunds or credits for cancellation after April 1 are given at the director's discretion.
- Enrollment forms are also due April 1 and can be found on our website under "Enrolled Campers" at www.campchrysalis.com. Supply lists and other useful information can also be found on our website in the same place.
- In May, we will send you more information about our get-acquainted meeting in June.
- Early registration will help secure the session you want for your child. Last year most sessions were full by April. We hope you'll tell other families whose children would enjoy and benefit from our program. Your recommendation is our best advertising!
