- 1. Authorization to Consent to Treatment of Minor: The undersigned, who is one of the parents having legal custody, or the legal guardian, of _____, a minor, hereby authorizes the adult personnel of Camp Chrysalis, into whose care said minor has been entrusted, to consent to any X-ray examination, anaesthetic, medical or surgical diagnosis or treatment and hospital care to be rendered to said minor on the advice of, and under the general or special supervision of, a physician and/or surgeon licensed under the provisions of the Medical Practices Act, and to consent to any X-ray examination, anaesthetic, dental or surgical diagnosis, or treatment and hospital care, to be rendered to said minor by a dentist licensed under the provisions of the Dental Practices Act. For minor illnesses or injuries requiring medical treatment, Camp Chrysalis' staff will attempt to contact me before my child leaves the medical office. For major injuries or illnesses, they will attempt to contact me before institution of treatment, unless such treatment is so urgent that it must be done before contact can be made. If I cannot be reached, this authorization nevertheless is effective. I agree also to assume any financial responsibility for my child's care, resulting from consultation and/or treatment pursuant to this authorization. It is understood that this consent and authorization is given in advance, to enable Camp Chrysalis' personnel to authorize any specific diagnosis, treatment, or hospital care that may be required, in their best judgement and that of the aforementioned medical personnel.
2. I have read the memorandum titled Health Treatment Protocols. I understand that it covers a variety of conditions for which professional medical consultation and treatment are not usually or reasonably required; and the early stages of treatment of some conditions that may require further professional consultation and care. I hereby consent to any first-aid treatment, and to any treatment following these protocols, except for the restrictions I have itemized on the reverse of this sheet, which Camp Chrysalis staff may deem necessary or appropriate, in their best judgement, for my child's health and well-being.
3. I have received the memorandum titled Concerning Camp Chrysalis, covering camp practices. After reading it, and/or on other grounds, I am satisfied that my child's participation in camp will be directed and managed in a safe, orderly, and responsible manner by Camp Chrysalis staff. I agree that they individually and Camp Chrysalis shall not be held responsible for any injuries, illnesses, or other damages that might occur to my child or his/her possessions while entrusted to their care, save those following from their gross negligence in anticipatable circumstances. I understand that the Camp's risk coverage includes appropriate general liability insurance, and excess accident insurance covering medical costs beyond those reimbursed by family insurance, up to \$10,000.
4. I understand that enrollment in camp gives Camp Chrysalis permission to use pictures of my child for promotional and informational purposes in the brochure, website, slide show and other venues.
